My routine day

My name is Lucas. I am ten. I go to elementary school, and I am in Grade 4. Every day I walk to school. It isn't very far. I leave my house at half past seven and I arrive at ten to eight. Our first lesson starts at half past eight. We stop for lunch at a quarter past twelve. I bring a lunch box from home. My friends at school don't bring a lunch box; they can eat lunch in the school cafeteria. School finishes at twenty-five past one. Sometimes I have lessons after school. On Mondays, I have a guitar lesson at a quarter to four. On Fridays, I have a swimming lesson at ten to five.
