Hi. We continue reviewing some common phrasal verbs and then do many exercises so that we can learn them very easily.

As we all know, phrasal verbs are mainly used in spoken English. They generally consist of a verb + preposition and convey a **different meaning**. For example:

Look at : Prepositional phrase and it means «turn eyes to see»

Look after: Phrasal verb and it means «take care of»

1 break up

MEANING

end a relationship

EXAMPLE

Sam and Diana **broke up** again. What a rocky relationship!

2 call on

MEANING

Visit for a short time

EXAMPLE

Mark **called on** Tim while he was in town.

3 come into

MEANING

inherit

EXAMPLE

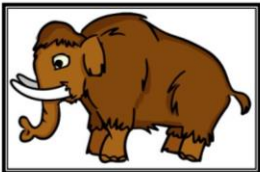

He **came into** a large sum of money when his father died.
