My favourite teacher & Her daily routine

Her name is Maria. She lives in Italy. She is a kindergarten teacher. She is short and thin. She works at a private school. She teaches the young children.

She gets up at seven o'clock in the morning. She takes a shower and puts on her clothes. Then she eats breakfast at half past seven. At eight o'clock, she drives her car to school.

Maria starts work at half past eight. When she arrives at school, she first prepares the classroom and the materials. She teaches the children games, numbers, songs, and the alphabet. She actually prepares them for the life ahead. Sometimes, her students are naughty, but she loves them. They love her too because she is caring and so funny. She always makes them smile.

Maria has lunch at 12 o'clock. After lunch, she often has meetings with parents or other teachers. She goes home at five o'clock.

When she comes home, she is very tired. At home, she takes a shower, and then cooks dinner. She has dinner at half past six in the evening. Maria likes reading, so she usually reads books. She sometimes watches TV or plays the lyre. She goes to bed at ten o'clock.
