As we all know,
Many is used with countable nouns in the plural form.
We **usually** use it in negative and question forms.
Much is used with uncountable nouns in the singular form.
We **usually** use it in negative and question forms.
A lot of is used with both uncountable and countable nouns and we **usually** use it in affirmative (positive) forms.
In fact, we use «many-much-a lot of» in different forms too. These are just common usages.
