In the first exercise, I am going to give you a table. Write positive or negative sentences with can/can't according to the table.

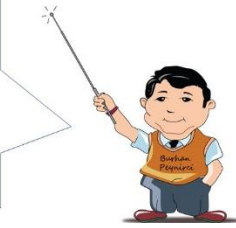

For example:

	Speak English	run fast
Kate	✓	✗

Kate can speak English.
Kate can't run fast.

In the USA, people say [kɛnt]
In Britain, people say [kɑ:nɪ]

can't

Look at the table. Write Positive/Negative sentences.
Use can or can't.

	Play football	dance	drive a car	Run fast	Fix things

In the second exercise, you are going to put the verbs into the correct order. Make necessary changes. To decide if it is a positive or negative sentence, I have put a tick or cross next to each question.

For example:

swim / Alan / sea

Alan can swim in the sea. ✓

Alan can't swim in the sea. ✗

Put the words in the correct order to make meaningful sentences according to the sign.

1/10) very / play / my / father / football / well ✗

2/10) homework / you / I / can / help / your ✓

3/10) cook / your / mum / cookies / good ✓

4/10) translate / I / the letter / you ✓

5/10) morning / come / I ✗
